Charles to the incoming Administrative Bishop of the NTCOG in Bermuda, **Bishop H. David R. Lambe**. Coming from a family with a rich legacy in Kingdom building, Bis. Lambe and his wife Lady Winsome Lambe have personally accepted the call to create their own legacy on the national stage of this blossoming territory. Pastoring for 16 years, he has worked in almost every area of ministry and is ready to lead the New Testament Church of God in Bermuda to a greater level of impact.

**THE MOVEMENT!”** A charismatic worship leader and preacher, **Bishop Kemuel Gardiner** was installed as only the 2nd Administrative Bishop in the territory of the Turks & Caicos Islands on Aug. 26th, 2022. ### DOMINICAN REPUBLIC

**“WORKING, GROWING, MOVING!”**

Leading one of the fastest growing territories in the region is no small feat but **Bishop Juan T. Perez** has decided to accept the mandate given him for his life. With a country whose population is over 11 million souls, the New Testament Church of God in the DR has a robust Evangelism & Church planting system. They have been training leaders and planting churches at an unprecedented rate over the years. We wish Bishop Juan & Lady Olfa Perez all the best as they answer the call and pursue the Kingdom assignment given them.
